

We want children and young people to **TELL US WHAT THEY THINK**

We are really interested to hear what you think about the programs and activities that we offer children and young people.

From time to time, we will ask you about what you think.

Tell us the things you like...

...and don't like.

With your ideas, we can make our programs better for others just like you.

At any time, it is OK for you to tell us if you are not happy with something that is happening to you or there is something you are worried about.

You can also bring a support person with you to talk with us.

We will always take what you tell us seriously, no matter how old you are.

We will try as hard as we can to fix any problem or worry that you have.

If you are still worried or not happy, then you can talk to one of the people who work here.

They will help you.
